Tangle Teezer products, packaging and product names are protected by copyright, registered and unregistered designs, patents and registered and unregistered trade marks. See <https://tangleteezer.com/pages/tangle-teezer-ip>.

All original literary and artistic works, as well as sound recordings and films made by, or for Tangle Teezer Limited (the Company) belong to the Company and are protected in the UK under the Copyright Designs and Patents Act 1988 in the UK and abroad under the Berne Convention.

Designs made by or for the company are the subject of UK Unregistered Design Right under the terms of the Copyright Designs and Patents Act 1988, by unregistered design right under COUNCIL REGULATION (EC) No 6/2002 of 12 December 2001 on European Union designs and by UK Supplementary Unregistered Design Right, as well as by registered design (or equivalent protection) in the UK, EU and elsewhere.

Please note that this list is not exhaustive and may be updated periodically to reflect changes or additions to the Tangle Teezer intellectual property portfolio. By listing various patents that are linked to certain products, Tangle Teezer makes no admission that other relevant patents do not exist.

Patents

The following Tangle Teezer products are protected by patents in the United States and in other jurisdictions of the world. This document is provided to satisfy the virtual patent marking provisions of various jurisdictions including the virtual patent marking provisions of the America Invents Act and to provide notice under 35 U.S.C. § 287(a).
